

Sport-Thieme Wall storage unit with 4 or 6 brackets

Thank you for choosing a Sport-Thieme product!

Please read the following notes carefully before use so you can enjoy this product safely and keep these instructions for future reference. If you have any questions, our team is here for you.

Prod. code 1316315

Prod. code 1316302

Ill. 1: Wall storage unit

Included:

- 1 x unit L = 1.11 m or 1.69 m
- 5 x hex wood screw 8 x 70 with washer
- 5 x plastic wall plug 12

Tools required: Drilling machine, spanner

Time needed: 20 min

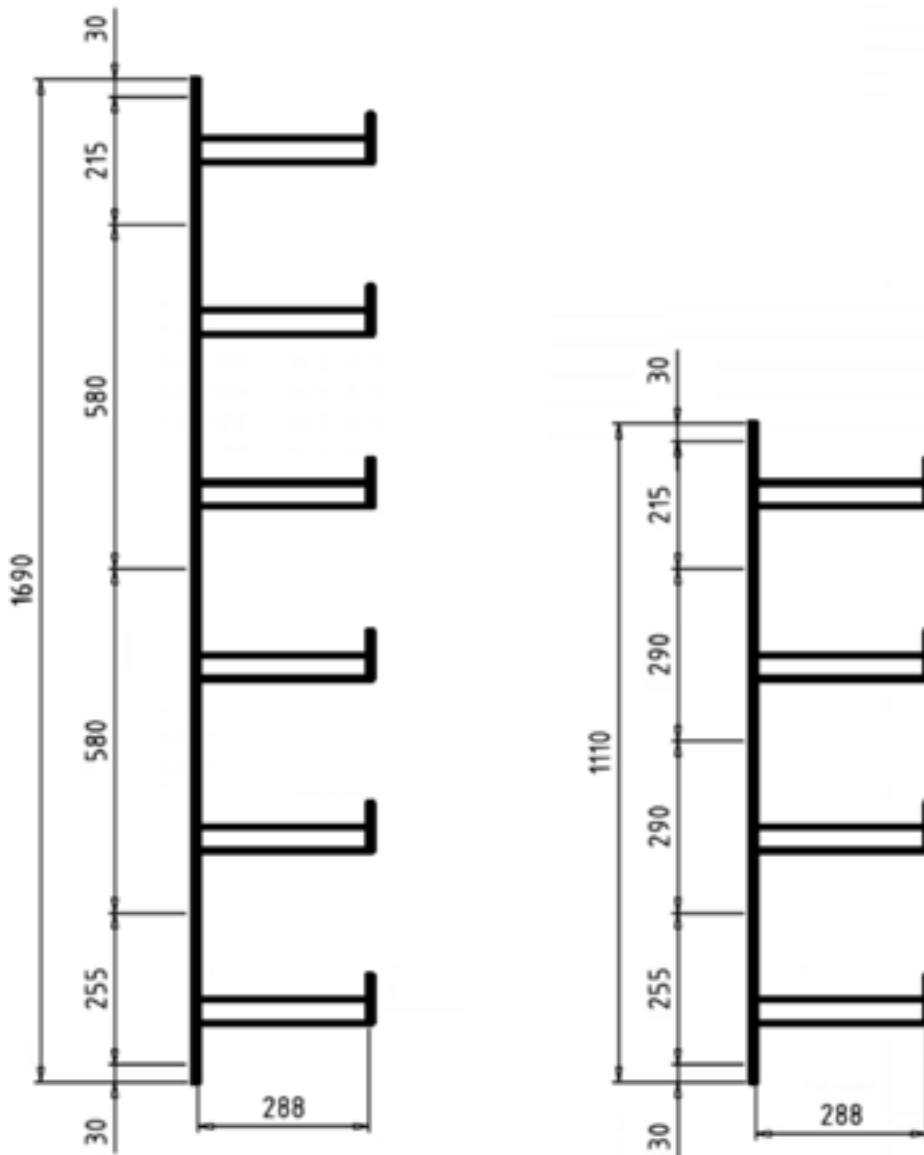

Number of people required: 1-2

1. General

This unit is intended for the space-saving storage of posts used in sports (e.g. volleyball posts or high bar posts) on the wall. 4 or 6 brackets of approx. 29 cm length are fixed at a distance of 29 cm to hold the posts.

The brackets' tops are covered with felt to protect the posts. Each bracket is suitable for a maximum load of 20 kg.

If the distance is chosen correctly, this is equivalent to 2 posts next to each other.

Ill. 2: Mounting dimensions (drilling holes dimensions)

2. Assembly instructions

Please use the included fixings for wall mounting. These are intended only for solid, stable walls such as concrete or brick. If the wall is made from other building materials, please contact a structural engineer and use other suitable fixings.

Caution: Do not overload or climb the equipment!

Maintenance and care instructions

Carry out a visual check at regular intervals. Due to our continuous quality control of the products, technical changes may occur which may lead to slight deviations in the instructions.

Check at regular intervals that the screw connections are tight.

Check the equipment for possible damage and replace worn-out parts. Ensure that moveable parts are free-moving.

We are happy to answer any questions you may have.
